

February 3, 2012

Greetings,

The Elkhart Titans Baseball Club was started in 2004 as a way to allow boys that have a love of baseball to extend their playing season and further develop their game. In 2012 we will operate seven teams that make those baseball dreams come true for more than 120 young men between the ages of 11 and 18. Our organization provides an opportunity for players from the Michiana area to improve their baseball skills as well as learn life lessons about faith, teamwork, sportsmanship, discipline, and perseverance as well as other valuable skills that they will draw upon for years to come.

At the 16u and 18u level we play local games as well as participate in college showcase tournaments that provide our boys with valuable exposure to college coaches and recruiters. We are proud to have several Titans Alumni playing college baseball.

At the 12u and 14u level we play mostly local games with just a few tournaments. We will begin playing in March and play well into October! As firm believers in Little League we do our best to avoid conflicts for those players who choose to play both.

It is through corporate donations and individual sponsorships like yours that, since the beginning, the Titans have been able to impact the lives of many young men. Please consider helping us as we impact the lives of even more young men in the 2012 season. In order to further offset the considerable cost of the equipment, balls, uniforms, insurance, tournament fees, umpires' fees, sanction fees and the supplies required to operate a choice club, we sell Spirit wear, run a concession stand during many home games and player fees have been established.

This year the Titans will offer four levels of sponsorship - Platinum, Gold, Silver or Bronze.
